

Zooass.com Dive Bar Profile

Dive Bar: Dan's Cafe City, State: Washington, DC Your Name: Sir Date: Many

<p>Antiquity</p> 	<p>A good dive bar never updates its décor. Ever. With the exception of beer signs, tacky pictures and random crap bolted to the walls. If you even use the word décor in a dive bar you will be punched in the face. How far back in time does this dive bar take you? If you see any outstanding relics list them here.</p> <p><i>This place looks like someone built a nautical shack in an alley way. Beware! It's easy to miss! Fake dusty plants hang from the ceiling and cheap plastic basket weave tiles are staples to the walls. Old school tiled bar with drink holders. Wobbly booths made from scrap wood they probably found in the alley.</i></p>
<p>Low Cost Swill</p> 	<p>Cans of Pabst. Pitchers of High Life. Need we say more? What rock bottom poison did you down and how easy was it on your wallet?</p> <p><i>Sells flasks of liquor and stuff to mix it with. They used to hand you flasks but now they empty them in a glass so you don't enjoy your drinks on the way home. Bucket of ice is included. Brilliant!</i></p>
<p>Filth</p> 	<p>The thicker the layer of dust, the richer the history. If you can take a core sample of grime and learn things about the last several decades then you are in the right place. Give us the dirt here.</p> <p><i>Perhaps the filthiest bathrooms in all of America.</i></p>
<p>Stench</p> 	<p>Relish the scents of cigarette butts, old beer, vomit and unwashed alcoholics. Don't be fooled by the sickeningly overpowering perfume blasting stench box in the bathroom. It reeks in here! Take a whiff and write the first thing that comes to your mind.</p> <p><i>It used to reek of smoke, but since they banned smoked in DC bars now it just smells like a toilet. Also sweat since this place is tiny and gets wall to wall packed.</i></p>
<p>Graffiti</p> 	<p>One should always have reading material when taking a whiz or dropping the kids off at the pool, although you shouldn't even think of sitting down on the piss covered seat in this joint, if there even is a seat. What better things to read than the rambling nonsense of fellow drunks? A good dive bar's hallowed bathroom walls will have lots to say and contain much wisdom, like who is a homo. Write your favorite sayings here.</p> <p><i>Lots in the crappers. "Overthrow the bourgeois." OK, who let the French guy in the bar? "Rahul is gay." "Bunhead is a pussy."</i></p>
<p>Rockin' Tunes</p> 	<p>It's very important to have an arsenal of 80s metal (or classic rock if you're even older) at your disposal at all times. This sets the mood for the dive bar experience. A jukebox is a must. DJs should be shot on site. List the music source and classic tunes that you played or heard here.</p> <p><i>They have an old school jukebox that makes getting into the bathrooms challenging. New music hasn't been added in decades. Let the Def Leppard begin!</i></p>
<p>Amusements</p> 	<p>All proper dive bars should have pinball machines or classic arcade games, and we're not talking about Golden Tee, pretty boy. Although modern, bar top touch-screen games with nudie Photo Hunt are always a plus. Space permitting, run down, coin-operated pool tables are also a sign of a good dive bar. If you spot and/or play any games, list 'em here.</p> <p><i>How do you fit a pool table in a closet? Somehow Dan figured it out.</i></p>
<p>Vermin</p> 	<p>Insects are an important part of our ecosystem, and dive bars are a perfect environment for them. If honey bees weren't so stupid they'd nest in these safe havens instead of dying off like a bunch of pussies. List the creepy crawlies you spot here. Feel free to name them, and then squash them just for fun. If you spot any rodents or other vermin, list them here too.</p> <p><i>Bugs feast on the filth in the bathrooms nightly.</i></p>
<p>Hazards</p> 	<p>The world is a dangerous place. This is what makes life interesting. Every good dive bar should have its hazards, from rotting floors to seedy derelicts. List them here.</p> <p><i>Hole punched in men's room door has board nail over it. If you aren't paying attention and push the door in that area on the way out you'll get a nail through the hand. Ouch! Booths are likely to collapse.</i></p>
<p>Distinguishing Characteristics</p> 	<p>What makes this place so special? Does the bartender have big tits? Do they allow dogs to roam around freely and take dumps on the floor? Do they happen to have the best glory hole in town? Use this space to list this dive bar's distinguishing characteristics.</p> <p><i>Service without a smile. Mixing your own drinks. I guess selling bags of potato chips makes this a "cafe"?</i></p>
