

Zooass.com Dive Bar Profile

Dive Bar: _____ City, State: _____ Your Name: _____ Date: _____

<p>Antiquity</p> 	<p>A good dive bar never updates its décor. Ever. With the exception of beer signs, tacky pictures and random crap bolted to the walls. If you even use the word décor in a dive bar you will be punched in the face. How far back in time does this dive bar take you? If you see any outstanding relics list them here.</p>
<p>Low Cost Swill</p> 	<p>Cans of Pabst. Pitchers of High Life. Need we say more? What rock bottom poison did you down and how easy was it on your wallet?</p>
<p>Filth</p> 	<p>The thicker the layer of dust, the richer the history. If you can take a core sample of grime and learn things about the last several decades then you are in the right place. Give us the dirt here.</p>
<p>Stench</p> 	<p>Relish the scents of cigarette butts, old beer, vomit and unwashed alcoholics. Don't be fooled by the sickeningly overpowering perfume blasting stench box in the bathroom. It reeks in here! Take a whiff and write the first thing that comes to your mind.</p>
<p>Graffiti</p> 	<p>One should always have reading material when taking a whiz or dropping the kids off at the pool, although you shouldn't even think of sitting down on the piss covered seat in this joint, if there even is a seat. What better things to read than the rambling nonsense of fellow drunks? A good dive bar's hallowed bathroom walls will have lots to say and contain much wisdom, like who is a homo. Write your favorite sayings here.</p>
<p>Rockin' Tunes</p> 	<p>It's very important to have an arsenal of 80s metal (or classic rock if you're even older) at your disposal at all times. This sets the mood for the dive bar experience. A jukebox is a must. DJs should be shot on site. List the music source and classic tunes that you played or heard here.</p>
<p>Amusements</p> 	<p>All proper dive bars should have pinball machines or classic arcade games, and we're not talking about Golden Tee, pretty boy. Although modern, bar top touch-screen games with nudie Photo Hunt are always a plus. Space permitting, run down, coin-operated pool tables are also a sign of a good dive bar. If you spot and/or play any games, list 'em here.</p>
<p>Vermin</p> 	<p>Insects are an important part of our ecosystem, and dive bars are a perfect environment for them. If honey bees weren't so stupid they'd nest in these safe havens instead of dying off like a bunch of pussies. List the creepy crawlies you spot here. Feel free to name them, and then squash them just for fun. If you spot any rodents or other vermin, list them here too.</p>
<p>Hazards</p> 	<p>The world is a dangerous place. This is what makes life interesting. Every good dive bar should have its hazards, from rotting floors to seedy derelicts. List them here.</p>
<p>Distinguishing Characteristics</p> 	<p>What makes this place so special? Does the bartender have big tits? Do they allow dogs to roam around freely and take dumps on the floor? Do they happen to have the best glory hole in town? Use this space to list this dive bar's distinguishing characteristics.</p>
