

Zooass.com Dive Bar Profile

Dive Bar: Mighty Mike's City,State: Sterling, VA Your Name: Sir Date: Every TDC

Antiquity 	<p>A good dive bar never updates its décor. Ever. With the exception of beer signs, tacky pictures and random crap bolted to the walls. If you even use the word décor in a dive bar you will be punched in the face. How far back in time does this dive bar take you? If you see any outstanding relics list them here.</p> <p><i>A little more on the sports bar side, but the two aging hags sporting pregnant sized bellies and gut revealing half shirts confirmed that this is indeed a dive.</i></p>
Low Cost Swill 	<p>Cans of Pabst. Pitchers of High Life. Need we say more? What rock bottom poison did you down and how easy was it on your wallet?</p> <p><i>Typical beers and prices. Bet you can tap one of those bellies and get some beer for free though.</i></p>
Filth 	<p>The thicker the layer of dust, the richer the history. If you can take a core sample of grime and learn things about the last several decades then you are in the right place. Give us the dirt here.</p> <p><i>Pretty clean actually. Except for under the rolls of those bellies. Can you tell we've been scarred?</i></p>
Stench 	<p>Relish the scents of cigarette butts, old beer, vomit and unwashed alcoholics. Don't be fooled by the sickeningly overpowering perfume blasting stench box in the bathroom. It reeks in here! Take a whiff and write the first thing that comes to your mind.</p> <p><i>Beer and cigarettes.</i></p>
Graffiti 	<p>One should always have reading material when taking a whiz or dropping the kids off at the pool, although you shouldn't even think of sitting down on the piss covered seat in this joint, if there even is a seat. What better things to read than the rambling nonsense of fellow drunks? A good dive bar's hallowed bathroom walls will have lots to say and contain much wisdom, like who is a homo. Write your favorite sayings here.</p> <p><i>Will check in a couple weeks.</i></p>
Rockin' Tunes 	<p>It's very important to have an arsenal of 80s metal (or classic rock if you're even older) at your disposal at all times. This sets the mood for the dive bar experience. A jukebox is a must. DJs should be shot on site. List the music source and classic tunes that you played or heard here.</p> <p><i>Touch screen juke with downloadable tunes. They do have a DJ sometimes, but he doesn't play any music past 1985 so it's all good.</i></p>
Amusements 	<p>All proper dive bars should have pinball machines or classic arcade games, and we're not talking about Golden Tee, pretty boy. Although modern, bar top touch-screen games with nudie Photo Hunt are always a plus. Space permitting, run down, coin-operated pool tables are also a sign of a good dive bar. If you spot and/or play any games, list 'em here.</p> <p><i>Coin operated pool tables. Pinball, arcade games and darts.</i></p>
Vermin 	<p>Insects are an important part of our ecosystem, and dive bars are a perfect environment for them. If honey bees weren't so stupid they'd nest in these safe havens instead of dying off like a bunch of pussies. List the creepy crawlies you spot here. Feel free to name them, and then squash them just for fun. If you spot any rodents or other vermin, list them here too.</p> <p><i>None spotted.</i></p>
Hazards 	<p>The world is a dangerous place. This is what makes life interesting. Every good dive bar should have its hazards, from rotting floors to seedy derelicts. List them here.</p> <p><i>Hillbillies. The entrance to the bar is actually a wormhole to West Virginia.</i></p>
Distinguishing Characteristics 	<p>What makes this place so special? Does the bartender have big tits? Do they allow dogs to roam around freely and take dumps on the floor? Do they happen to have the best glory hole in town? Use this space to list this dive bar's distinguishing characteristics.</p> <p><i>Close to home and an official bar in every Tour de Cocktails. Plus you gotta love the name of this place! Sells beer jackets so you can take one for the road and keep it cold while driving home drunk.</i></p>
