Dive Bar: Vienna Inn City,State: Vienna, VA Your Name: Sir Date: Summer '08

<p>Antiquity</p> 	<p>A good dive bar never updates its décor. Ever. With the exception of beer signs, tacky pictures and random crap bolted to the walls. If you even use the word décor in a dive bar you will be punched in the face. How far back in time does this dive bar take you? If you see any outstanding relics list them here.</p> <p><i>Hasn't changed since the 60s. Blue and once white checkered floors. Cheap drop ceilings. Parquet bar and tables. Torn pleather booths and chairs. Retro boomerang pattern tables. Tattered bathroom doors on squeaky springs. Ancient trophies crammed onto shelves and old radiators.</i></p>
<p>Low Cost Swill</p> 	<p>Cans of Pabst. Pitchers of High Life. Need we say more? What rock bottom poison did you down and how easy was it on your wallet?</p> <p><i>\$2.50 drafts around 4PM on a Friday. Not sure if it was happy hour, but we were happy.</i></p>
<p>Filth</p> 	<p>The thicker the layer of dust, the richer the history. If you can take a core sample of grime and learn things about the last several decades then you are in the right place. Give us the dirt here.</p> <p><i>Most of the grime here is a permanent part of the weathered interior.</i></p>
<p>Stench</p> 	<p>Relish the scents of cigarette butts, old beer, vomit and unwashed alcoholics. Don't be fooled by the sickeningly overpowering perfume blasting stench box in the bathroom. It reeks in here! Take a whiff and write the first thing that comes to your mind.</p> <p><i>Couldn't identify the odor at first. Later determined it was cheap beer and chili dogs.</i></p>
<p>Graffiti</p> 	<p>One should always have reading material when taking a whiz or dropping the kids off at the pool, although you shouldn't even think of sitting down on the piss covered seat in this joint, if there even is a seat. What better things to read than the rambling nonsense of fellow drunks? A good dive bar's hallowed <a href="#">bathroom walls will have lots to say</a> and contain much wisdom, like who is a homo. Write your favorite sayings here.</p> <p><i>"All real men loves vagina!" However, "Kenny is a homo!" Therefore, Kenny is not a real man.</i></p>
<p>Rockin' Tunes</p> 	<p>It's very important to have an arsenal of 80s metal (or classic rock if you're even older) at your disposal at all times. This sets the mood for the dive bar experience. A jukebox is a must. DJs should be shot on site. List the music source and classic tunes that you played or heard here.</p> <p><i>TouchTunes wall juke with downloadable songs. Heard Journey and Bon Jovi. Feels like I'm back in Jersey!</i></p>
<p>Amusements</p> 	<p>All proper dive bars should have pinball machines or classic arcade games, and we're not talking about Golden Tee, pretty boy. Although modern, bar top touch-screen games with nudie Photo Hunt are always a plus. Space permitting, run down, coin-operated pool tables are also a sign of a good dive bar. If you spot and/or play any games, list 'em here.</p> <p><i>Ms. Pac-Man/Galaga combo, Sopranos pinball, video bowling, touch screen bar game.</i></p>
<p>Vermin</p> 	<p>Insects are an important part of our ecosystem, and dive bars are a perfect environment for them. If honey bees weren't so stupid they'd nest in these safe havens instead of dying off like a bunch of pussies. List the creepy crawlies you spot here. Feel free to name them, and then squash them just for fun. If you spot any rodents or other vermin, list them here too.</p> <p><i>Fruit flies love this place and the regulars know it. Look for the old man by the door with a bug zapper racquet. Holes in booths suggest rodent infestation.</i></p>
<p>Hazards</p> 	<p>The world is a dangerous place. This is what makes life interesting. Every good dive bar should have its hazards, from rotting floors to seedy derelicts. List them here.</p> <p><i>Hole in floor by bar stools. One false move and over you go! Half-width bathroom doors could be a problem for the morbidly obese.</i></p>
<p>Distinguishing Characteristics</p> 	<p>What makes this place so special? Does the bartender have big tits? Do they allow dogs to roam around freely and take dumps on the floor? Do they happen to have <a href="#">the best glory hole in town</a>? Use this space to list this dive bar's distinguishing characteristics.</p> <p><i>\$1.50 chili dogs! A bike rack out front and access to the W&amp;OD trail allows for drunken peddling home. A family friendly joint, they even sell candy at the bar for your dive loving rug rats in training. Beef up your wardrobe with a cheesy chili dog t-shirt.</i></p>
